HOLLIE

Hollie was a determined and successful individual, a true inspiration for others; loved by her family and friends and highly regarded by colleagues and clients alike. Hollie was vibrant, fun, vivacious, talented and beautiful. She is sadly missed by all who knew her.

Hollie loved sports and took part in football, athletics, gymnastics, Jujitsu and horse riding and went on to represent Tewkesbury Borough at tag rugby at Millfield School. During her time at Chosen Hill School, she undertook work experience at Stuart Holmes Hairdressing in Cheltenham.

Hollie later decided to become a hairdresser, she wanted practical experience, so gained an apprenticeship before embarking on the start of a very promising career.

In August 2013, Hollie he found a position at Fringe Benefits & Le Belle Hair and Beauty in Gloucester where her flair and creativity made her popular with her colleagues and clients.

Hollie's story has touched the hearts of many. Her family and The Trust want to turn tragedy into something positive, providing a safer future for all.

You can make a difference!

We understand that the issues Hollie faced before her tragic death may be difficult to discuss. But our work is focussed on making a positive difference.

We are helping young people create happy and healthy relationships, through the **Domestic Abuse and Stalking Workshops** we deliver in schools and colleges.

We also support businesses create robust domestic abuse policies through our **Working Without Fear** programme.
